JULES GOKCE BULBUL

Consultant Cloud DevOPS & Full Stack Developer

CAREER OBJECTIVE

Hello, I 'm a web developer based in Paris. I have over 15 years of experience both in Istanbul and Paris and proficiency in many platforms & technologies such as PHP, PYTHON, JS, DOCKER, KUBERNETES.

EXPERIENCE

September 2022
Consultant Cloud DevOPS & Full Stack Developer Paris, France

November 2017 – September 2022
Technical Innovation Leader, Expedicar Paris, France

February 2015 – October 2017
Tech Lead Developer Jumia Classifieds Paris, France
Responsible for 4 Classifieds Jumia web sites serving in Africa over twenty countries. Jumia House, Jumia Deals, Jumia Jobs, Jumia Car

November 2011 – March 2014
Web Developer, Shic www.shic.fr Paris, France
At the web-agency SHIC, firstly I was in charge of developing Nestle Waters' intranet social network project. This was a project for 10K Nestle Waters employees all around the world. So, they started sharing their videos, photos, ads, etc. I developed all Asp.Net (C#) and MsSql back end and CSS, JS front end sides. Then, I was in charge of Swiss Luxury Trademark Piaget's e- commerce site (http://www.piaget.com). I developed all PHP back end for 4 countries (US, FR, ES, DE) by using Piaget web services and CSS, JS front end.

June 2009 – November 2011
Freelance Web Developer Paris, France & Istanbul, Turkey
During this period I was Freelance Web Developer for Fizy.com and developing Flash Video and MP3 player. Fizy is an online music search engine based in Turkey. fizy has about 600,000 daily visitors. It was designated by the Mashable Awards as the best music search engine. Also I was developing some e-commerce Wordpress themes for web agencies as a freelance web developer.
